Discussion Questions

1. What stood out to you from this message?
What resonated with you? What challenged you? Was there anything you disagreed with or had questions about?
2. What are you living for right now? If someone were to answer this week's question based on observing your last couple of months, what would they say?
3. What does it mean to say that we were made for love?
4. What does it mean to say our ability to love is derivative?
How does this encourage you?
5. When is the last time you felt the love of God? What was that like?
6. Where is one area of your life (maybe one relationship) where you want to love better/live into your purpose more?
7. What is God saying to you? What are you going to do about it?

After spending sometime discussing these things, pray for each other.
